Major of Bachelor's Degree _____ School Year _____ – _____

I understand that the cost of attendance (COA) for a full-time college student typically includes direct costs such as tuition, fees, on-campus housing, meal plans, as well as indirect costs such as books, supplies, off-campus living expenses, transportation, and personal expenses. As a **part-time student** pursuing a Bachelor's degree program in Special Education and concurrently holding a full-time job in a SC public/charter school or agency in which I am earning a salary with possible benefits that cover my living expenses, I understand that (a) my COA is limited to course tuition, applicable fees, and textbook costs, (b) these expenses will be assessed on my student account each semester at the college or university where I am enrolled, and (c) SC-CREATE funds will cover these costs in-full.

My signature below affirms that I am a scholarship recipient of the SC-CREATE program, and that **SC-CREATE is the single source of scholarship funds that I will be receiving** as a part-time student this academic year. I also affirm that I have authorized only SC-CREATE scholarship funds to be applied to my student account at the college/university where I am enrolled. Further, I affirm that I will notify the CREATE Office immediately in writing should my college's/university's Business Office inform me that I am to be awarded a disbursement in the form of a refund due to over-award or excess of funds that may appear on my student account. In addition, I affirm that I will not accept payment in any amount from my college's Business Office should they determine that I am due a refund for over-award or excess of funds from my student account. Finally, upon request, at the conclusion of any of the three semesters (fall, spring, summer), I agree to submit records of my student account to the CREATE Office for audit to verify that (a) scholarship funds have been appropriately applied to my account, (b) a zero balance has been achieved, and (c) no disbursement for over-award or excess of funds has been issued to me.
